

ATTENTION!!

FORWARD TEE OPTION

Players whose age plus index equals 89 or higher will have the option to play the forward tees.

If you qualify, the scorecard will indicate "**YES**" under the FWD TEES column on the scorecard as shown in the example below:

If you can only play from the REG TEES, you will only see the YES in that column

Note: The event Hole Assignment sheets will also display if you qualify to play from the forward tees.
