E-MAIL SENT FROM THIS WEB SITE

The bulk email often gets flagged as spam just because it is bulk e-mail, unfortunately this is a common problem and is almost impossible to work around. The best you can do is right click on it and mark as not junk or not spam, once doing this 1-2 times your e-mail provider should no longer treat it this way.

PLEASE CHECK YOUR SPAM FOLDER IN YOUR E-MAIL ACCOUNT. WHENEVER YOU GET AN E-MAIL FROM [noreply@redrivergolf.net]. We send out monthly newsletters and other info by e-mail and we want you to get them.
